Nursing Management®

Index 30

Index to Volume 30, Numbers 1-12 (January-December 1999)

This index is arranged in two sections: the Subject section and the Author section. Subject headings are those used in the *Cumulative Index to Nursing and Allied Health Literature* (CINAHL), supplemented by the language style of *Nursing Management*. Some subjects have been combined. Feature articles are shown in bold type. An abbreviation in parentheses after the title indicates a special series of features or an editorial department (listed below). The month of issue and page number follow.

Abbreviations used in this index are:

AON =	Ask AONE's Experts...	**GED** =	Guest Editorial	**LQ** =	Leading Questions & Sensible Solutions	**RRR** =	*Recruitment & Retention Report*
CB =	Communication Briefs	**IC** =	Special Report: Infection Control	**LU** =	Special Report: Legal Update	**TEC** =	Technology: Nursing the System
CC =	Critical Care Section	**JCA** =	Questions and Answers from the JCAHO	**NF** =	Notes from the Field	**TT** =	Tried and True: Tips from Your Peers
CE =	Continuing Education	**LAW** =	Law for the Nurse Manager	**NMC** =	*Nursing Management* Congress	**TU** =	Technology Update
CS =	Career Scope	**LIF** =	Lifeline	**RQA** =	Recruitment Q&A		
ED =	Editorial						
FIN =	Financial Management						
FF =	Facts & Figures						
FK =	Finders, Keepers (in *R&R Report*)
